of the American Legion to begin in Louisville, Sept. 29, according to a report Thursday from Chief of Police M. E. Clegg.

The police department assumed the task of having all weeds in the city cut, upon the direction of officials of the city, in preparation for beautifying the City for the many visitors who are expected here during the week of the convention.

The order to cut weeds is compulsory and notices are being served on property holders who have not complied. When residents are specially ordered to cut weeds and they fail, then the city has ordered the police department to have the weeds cut and charge it against the property.

6th Year Agents Seize Stills Wednesday

The largest stills ever confiscated in this vicinity was discovered by Federal Prohibition Agent Harry Upchurch and Captain Riley Allen, of the New Albany Police Department, who seized a "home brew" plant in operation Wednesday on the farm of Ellen Brandt, State Forest Reservation near Galena, Floyd County.

Two 100-gallon stills were found to be in full operation and a third was confiscated. The latter had not yet been set up. The dry officers destroyed a large quantity of mash, seized a large quantity of moonshine liquor. The operators of the still had fled before the Agents arrived.

PLAINTIFF FILES MOTION TO DISMISS DIVORCE

A motion to dismiss a divorce suit of Charles Pryor against Anna Pryor, was filed in the Clark Circuit Court on Thursday by Attorney Grover C. Todd, representing the

date for his visit to that city, where he would open the new Edison laboratory at Dearborn, Oct. 21, has been suggested.

It was said today that, while there was nothing definite about any plans as yet, the President might return to Washington from Detroit without making a proposed trip into Texas.

Senator Arthur R. Robinson (Republican, Indiana) called upon President Hoover today to invite him to stop at some point in Indiana on his journey down the Ohio river. The Indiana senator suggested that Madison would be strategically located for such a stop.

Senator Robinson said that he hoped to be in Indiana at the time of the President's journey and to be able to make the trip down the river with Mr. Hoover.

Workman's Body Taken To Bruce For Burial

The body of Lloyd A. McEwen, 30 years old, structural steel worker, who fell to his death, from the bridge floor of the new Traffic bridge, Wednesday into a barge filled with steel tied directly beneath the bridge, eighty-five feet below, was taken to Bruce, Wis., Thursday morning where funeral services and burial will take place.

The body was accompanied to Bruce by a brother, E. J. McEwen, also an employe of the bridge company. Other survivors, are the parents Mr. and Mrs. Dougal McEwen and a sister, Mrs. John Scowles, all of Bruce.
